

FIVE GOOD WAYS

to support *Baptists Today*

1 Subscribe for a friend or two, and we'll get the subscriptions going right away.

2 Become a "Friend of Freedom" by making a three-year financial pledge to support the ongoing ministry of *Baptists Today*, a 501(c)3 non-profit organization.

3 Make a gift of \$375 or more to create a group subscription for your church or another congregation.

4 Encourage your church to include the First Freedoms Project that equally supports three First Amendment-focused national ministries — Associated Baptist Press, the Baptist Joint Committee for Religious Liberty and *Baptists Today* news journal — in the annual budget.

5 Consider making *Baptists Today* a part of your estate planning to ensure an autonomous and unrestricted news voice continues into the future.

FOR INFORMATION on doing any or all of the above, call toll-free **1-877-752-5658** or email Keithen Tucker at ktucker@baptiststoday.org.
